

**REMARKS**

Initially, Applicant would like to thank the Examiner for his indication of allowance of Claims 8-10 and 12 if rewritten in independent form including all of the limitations of the respective base claims and any intervening claims. By this amendment, Applicant has canceled Claims 1-5, 7, 8 and 13-15 and included the subject matter therein into amended Claims 6 and new Claims 16 and 17, respectively, to immediately place Claims 6, 9-12, 16 and 17 of the present application in condition for allowance.

More particularly, the claims have been revised as follows: Claim 6 has been amended to include the subject matter of Claims 7, 8 and 15; new Claim 16 has been added and includes the subject matter of Claims 6, 7, 9 and 15; and new Claim 17 has also been added and includes the subject matter of Claims 6, 10 and 15. Claim 12 was deemed allowable in its present form.

**CONCLUSION**

In view of the foregoing, it is therefore respectfully submitted that all of the claims remaining in the present application, namely, Claims 6, 9-12, 16 and 17 are patentably distinguishable over the references of record and action on the merits of this application is earnestly solicited.
